Congratulations to Caroline Byers

Caroline Byers the LINC's coordinator at the Health Service is a finalist in Rotary's NSW Inspirational Women's award to be held the Four Seasons Hotel, Sydney.

This prestigious award will be presented at a ceremony at which NSW Governor Marie Bashir, the first woman governor will be in attendance.

The Hawkesbury Chamber wish Caroline all the best and congratulate her on her selection.

A Community Service Project of the Windsor Rotary Club.

The Windsor Rotary Club has recently developed a Graffiti Removal Group to deal with graffiti in the Windsor, South Windsor, Bligh Park and McGraths Hill areas.

Working using a grant from The Hawkesbury City Council, the club now has a fully set up box trailer with equipment including a water tank, ladders, painting equipment and a pressure water cleaner.

Trained teams of removal artists ("graffiti eaters") will remove graffiti from all surfaces and repaint where necessary.

If you have some graffiti on your business premises or as eye-sore nearby then please advise us at lacol@myisp.net.au giving an address where the graffiti is and your contact details for them to contact you.

The best part of this project is that it is a **FREE** service from Windsor Rotary
