Thank you for your enquiry,

As the president of the Hawkesbury City Chamber of Commerce, I would like to congratulate you on exploring the fantastic opportunity for yourself and your team to become a part of our ever growing association.

The Hawkesbury City Chamber of Commerce promotes business growth within our local community and has a strong drive to see significant increases in economic and tourist viability within the Hawkesbury area.

There are many services and products that are available to you as a member of the Chamber. Some of which include forums to voice your concerns or question other business leaders, events designed to showcase your business and the services and products that you offer, and we would not be embracing the community spirit if we didn't offer some great events for just winding down and embracing life in the Hawkesbury

With your partnership to the Chamber you gain access to a number of advertising portals including our website and Facebook page as well as all of our Hawkesbury Chamber of Commerce members automatically becoming part of the NSW Business Chamber Alliance Program which enables a massive amount of support, promotion, legal advice and much, much more.

All of our Chamber members are here to support each other and if you require any assistance for your business, feel free to contact the Chamber of Commerce or one of our executive members and we'll do our very best to provide you with the support you need.

Again, welcome to a new era of growth for your company. Congratulations on looking to grow and develop your product and service and we look forward to seeing you get more involved with the Chamber and its members in the coming months.

Kind Regards

Kerry Spindler
President
